

IDEAL LIVING 5

Ideal Living 5

IDEAL LIVING 5 IN ARADIPPOU

Ideal Living 5 comprises of 2- & 3-bedroom apartments. The unique architectural design makes this an exclusive project. Energy efficient building thus cooler in the summer and warm in the winter months. Complete with en-suite bathrooms, granite worktops, large verandas, covered parking and storage rooms.

The external decoration of the building also includes the use of extensive marble and HPL surfaces to enhance the unique design of the building. The penthouse apartments have large roof gardens with a BBQ area and with much potential for additional space.

It is in a high-end residential area of Aradippou with easy access to all the major highways. The plot is adjacent to a large park and within proximity to local schools and private International schools
